

# MACLEOD ELKS' GRAND CARNIVAL

**JULY**  
16, 17, 18 and 19

**Bigger and Better Than Ever**

THE FOLLOWING

**VALUABLE PRIZES AWARDED EACH NIGHT**

TO HOLDERS OF LUCKY TICKETS:—

First Prize . . . \$30.00  
Second Prize . . . \$20.00  
Third Prize . . . \$12.50

**FINAL GRAND PRIZE---\$250.00 in Government Bonds**

EVERY TICKET PURCHASED GIVES YOU A CHANCE ON ALL THE ABOVE PRIZES

FOR YOUR AMUSEMENT THIS YEAR THE "ELKS" HAVE ARRANGED

**A Full Line Of "Carnival Attractions"**

AND ARE OFFERING AT THE CARNIVAL MIDWAY AN ABSOLUTELY NEW AND SUPERIOR LINE OF PRIZES

**BAND IN ATTENDANCE EACH EVENING**

**Big Rally Dance**

EACH NIGHT IN THE "ELKS" HALL—THE FINEST DANCE FLOOR IN SOUTHERN ALBERTA

ADMISSION: GENTS 75c LADIES 50c

**I'LL BE SEEING YOU! WHERE?**

**AT THE ELKS' CARNIVAL!**

**16-17-18-19 JULY 1930**

**THE ELKS' BIG CARNIVAL IMMINENT—ALL PROCEEDS FOR CHARITY—BUY YOUR TICKETS AND GET A CHANCE ON THE CAPITAL PRIZE OF \$250.00—EVERY TICKET GIVES YOU A CHANCE ON THE BIG PRIZE AND THE NIGHT PRIZES—THE MORE TICKETS THE BETTER CHANCE TO WIN**

In ten days the big four days of fun and frolic will be here, and everybody will be able to enjoy themselves, there will be lots of fun for both the young and the old, and they all will have an equal chance of winning the \$250.00 in Government Bonds as well as the nightly prizes—all you need to be in on it, is to have a Carnival Admission Ticket and be sure you put your name on it when you enter the gate.

Every cent the Elks make over and above actual expense goes for charity or for the benefit of the boys and girls. The Lodge itself gets none of the proceeds in any way—they act as trustees only. The Macleod Elks donated the playground equipment now in the Court House Square east of the new rink, and every year at Xmas time spread good cheer in the shape of hamper to the needy—an Xmas Tree for the Old People at the Hospital and a big time for all the boys and girls in the whole of the Macleod District in some way or another, as well as helping the needy at all times and in every way. It is those who have had the misfortune to need the Elks' help who appreciate the good work they do.

Everybody will be surprised at the wonderful assortment of useful articles which the Elks will offer at their Carnival, and in every booth on every turn of the wheel when you hold the winning number, you will be given your choice of prizes. Every winning number will be a lucky number for some one. We will have booths for everybody to play at, no matter what your fancy is—also grub bags for the children, where every one is a winner—no blanks—all they will have to do to win a prize is to put in their hand—a prize for all every time.

Have you seen the Jungle Robes—it will be well worth the price of admission to see these wonderful new robes, and you will sure want one for your car or bed. We will also have a wonderful assortment of ladies' and gentlemen's Indian Blanket Bath Robes of all sizes and colors—not to forget the Blankets themselves, a better assortment than ever before. Tapestry Runners for your table or Chesterfield—all kinds of wonderful Dolls; the best 23-piece Tea Sets which we have ever had the pleasure of offering to the public. Don't forget that every 25c

**G. G. COOTE AGAIN NAMED U. F. A. STANDARD BEARER MACLEOD CONSTITUENCY**

Clareholm, June 29.—In convention here assembled Friday afternoon, members of the Macleod Federal constituency association unanimously re-nominated G. G. Coote, M.P. of Nanton, the present sitting member, to contest the riding on behalf of the U. F. A. at the forthcoming Dominion election. It was one of the largest and most enthusiastic conventions held so far during the present campaign and the spirit of loyalty and co-operation manifested throughout was alluded to by all speakers. Sixty-three accredited delegates and some 175 other members packed the I. O. O. F. hall to the doors.

**Nomination Unanimous**  
Nominated by Frank Leavitt of Glenwood, Mr. Coote received the candidature unanimously, no other name being put before the convention. On rising to accept the nomination, Mr. Coote was given an ovation by the members present who stood up to sing "For He's a Jolly Good Fellow," and gave him three cheers. Visibly affected by this outburst of feeling, the member stated his pleasure and appreciation in having had the privilege for the past nine years in representing this constituency. That he was to be entrusted with the honor for another parliamentary term made him extremely proud, but for he stated that he expected this coming campaign to be one of the hardest political battles fought in Canada for some time. The old line parties, said Mr. Coote, would spend a great deal of money in order to win but the U. F. A. had no such funds at its disposal and therefore depended upon the workers to get out and win the fight by spreading the principles of the U. F. A. movement among their neighbors and seeing that all turned out on the crucial day—July 28—and voted the right way.

admission ticket makes your chances of winning the Grand Prize just that much better. As the cause is a good one, give the boys lots of support by buying lots of tickets early.

Correct this sentence: "The home seemed empty when I discovered you hadn't come home yet," said the husband, "but I wasn't at all offended."

Peace hath her victories. It takes a thousand bullets to kill a man in war, and only one fool with an empty gun in peace.

There was more horse sense on the highway in the old days, but the horse had it.

## CALGARY EXHIBITION AND STAMPEDE

**July 7 to 12 '30**

Live Stock, Government, Industrial and Domestic Exhibits, The Stampede, The Stampede Parade, Morning Indian Displays, Running Races, Cowboy Ball, Band Contest, Fireworks, Marvellous Vaudeville, Second Largest Grandstand in Canada—

ATTENDANCE LAST YEAR, 258,000

Be here for the famous Stampede Parade Monday morning

\$70,000 IN PRIZES AND PURSES.

SPECIAL PASSENGER FARES.

Engage hotel or private accommodation through the Alberta Hotel Association, Calgary.

A good time to visit Banff and Lake Louise, only three hours from Calgary, over excellent hard surfaced roads.

N. J. Christie, Guy Weadick, E. L. Richardson, President, Manager, The Stampede, General Manager.

**MACLEOD SCHOOL PROMOTION EXAMINATIONS NAMES IN ORDER OF MERIT**

**Promoted from Grade 8 to Grade 9 on Recommendation**

Eileen Freed, Dick Wyld, Wilma Freed, May McGregor, Peggy Huntley, Violet Wilson, Laura Hamilton, Jim Young, John Stevens, Addison Clement, Bert Day, John Kostuk, Jim Nash, Lucille West, Jim Toogood, Jane Bailey, Vernon Fleming.

**Grade VII Pass List**

Wilhelmina Lantinga, Annie Ferguson, Alice Dillingham, Irene Kennedy, James Calvey, Charles Underwood, Roy Bota, Isabella Richardson, Rachel Dunn, Gower Kennedy, Jack Dixon, Gordon Winter, Ina Clark, Betty Toogood, Helen Rosaine, Ella Haugen, Florence Pearson, Elmer Wintemute, Melville Young, Harvey Rhines on year's work.

**Promoted from Grade VI to Grade VII**

Jack McCracken, Annie Kostuk, Wilton Jones, Victor Sill, Amy Stevens, Peggy Wyld, Freya Tobiasson, Kurt Froese, Alberta Ferguson, Ethel Baker, George Baker, Dorothy Crowson, Audrey McDonald, Reed Amos, Douglas Baker, Doris Russell, Doris Jackson, Alitha Kaye, Norman Baker, Barbara Jones, Marion Reid, Desmond Huntley, Norman Natche, Gordon Day, Rae Imeson, Lloyd Pinder, Edgar Bradshaw, Phillis Carr, Teddy Perry.

**Promoted from Grade V to Grade VI**

Barbara Toogood, Margaret Moreash, Colin McLeod, Dana Goodner, Beatrice Burrows, Annie Lantinga, Ernest Sutherland, Herbert Dodd, Betty Altham, Eileen Ringland, Charlie Rosaine, James Cooney, Frank Rosling, Alma Boley, Ferguson, Milton Bette, Jean Kostuk, Kate Goerz, Tom Gillespie, Jean Eckmier, Arthur Gilboe, Margery Bayden, Ethel Armer, Nellie Taylor, Gladys Taylor, Stanley Westhaver.

**Promoted from Grade IV to Grade V**

Maria Law, Billy McCracken, Betty Knight, Herman Haugen, Lily Gilboe, Billy Freed, Tom Ripley, Molly Crowe, Earl Bruce, Jimmie Grier, Nora Connelly, Marjorie Lantinga, Florence Bremner, George Pinder, Ilo Stewart, Eileen Rosling, Lois Christianson, Nina Grier, Mary Marlow, Donald Armstrong, Billy Hutton, Betty Sutherland, Jack Trotwell, Jim Suman, Grace McNellie, Kate Lane, Lester Dodd, Viola Winburn, Lois Butcher, Alice Butler, Sigga Simundson, Roy Clarke, Bruno Froese, Jack Borthwick, Beatrice Bradshaw, Arnold Butler.

**Grade III to Grade IV**

Glenella Russell, Mabel Jordan, Marion Hodnett, Billy Kostuk, Kathryn Dillingham, Ralph Platts, Dorothy Toogood, Violet MacGregor, Roy Haugen, Gordon Hamilton, John Cooper and Donald Nash, Duane Kennedy, Thelma Redding, Olive Connelly, Gordon Webb, Eunice Bremner, Margaret Horsburgh, Lois Dunbar, George Cooper, Freddie Dean, Recommended on year's work Dorothy Murdoch, On trial Henry Rhines, Charlie Murdoch, Howard Dixon.

**Grade II to Grade III**

Stuart Bruce, Nadine Hamilton, Neva Jackson, Patricia Brown, Hugh Ferguson, Lois Barr, Kenneth MacGregor, Viola Dersch, Maybelle Ferguson, Roy MacLennan, Marie Stewart, Daisy Barnaby, Irene Crawford, Dale Goodner, Lilian Westhaver, Nellie Field, George Dersch, Recommended on year's work, Milo Carter.

**Promoted to Grade II**

Phillip Hodnett, Juddy Couillard, Margaret Butler, Arnold Dixon.

**CLASSIFIED ADVERTISING**

Four pupils have obtained medals for highest marks in the Dominion at recent examinations of the Toronto Conservatory of Music.

**LAST TROOPS LEAVE RHINE—AND YOUNG PLAN REPLACES FORCE FOR COLLECTION OF REPARATIONS**

Mayence, Germany, June 30.—(A.P.)—The French army marching out of the Rhineland, today turned back to Germany, full control of the occupied territory.

There were a half million troops along the Rhine after the armistice, French, Belgian, British, Italian and those from the United States, but as other nations withdrew and the zones were evacuated the army of occupation dwindled to about 25,000 men these last few months. By tonight all will be gone.

Word of honor replaced force today as guaranty for German reparations. The Young plan with its bank for international settlements and the recent issues of German reparations bonds in nine countries, now has the half-century job of settling German war indemnities to the Allies.

The occupation of the Ruhr, which the Germans called "invasion," in 1923, was the high point in action, in controversy and in psychological effect during the ten and a half years of the occupation under the Treaty of Versailles.

When Germany was declared in "wilful default" by the reparations commission, Jan. 9, 1923, Premier Raymond Poincaré took possession of the Ruhr, one of the richest spots in the world, with 4,000,000 inhabitants.

Barnaby, Jimmy Welch, Steve Dunn, Gretta Cooney, Dora Doudican, Josie Winburn, Annie Toogood, Gwen Grier, Harold Freek, David Brown, Garfield Crawford, Edna Hutten.

**LETHBRIDGE BOY PLUNGES TO DEATH—GORDON CHAPPELL SLIPS, DROPS OVER CAMERON FALLS AT WATERTON**

Vacation joy was suddenly turned to tragedy at Waterton National Park Sunday evening when Gordon Chappell, 14 years, son of Stanley L. Chappell of this city, plunged to his death over Cameron falls and into the pool below. The body was recovered at an early hour Monday morning and an inquest will be held with Coroner J. W. McNicol at present at Waterton.

Gordon reached the park only Sunday afternoon from Lethbridge, having planned a vacation in the mountains. His father is working as a carpenter at the Prince of Wales hotel. In company with Maxwell Lyman, son of Phil Lyman of Lethbridge, Gordon climbed to the steep rocks of the mountain overlooking the falls. Suddenly he slipped and before his chum could render any assistance he plunged headlong over the falls and into the pool below.

The authorities were notified and a search was instituted the body being recovered this morning. Police believe the lad was killed before he reached the water as there was no evidence of death by drowning. It is believed he dropped between 40 and 50 feet.

**COMING "COHENS AND KELLYS IN SCOTLAND" REUNITES PRINCIPALS OF ORIGINAL CAST—CHARLES MURRAY, GEO. SIDNEY, VERA GORDON, KATE PRICE IN FOURTH OF POPULAR SERIES—THURSDAY, FRIDAY AND SATURDAY**

The latest Cohen-and-Kelly picture will be seen at the Empress Theatre on Thursday with more laughs than there are Scotch jokes.

"The Cohens and Kellys in Scotland" is the fourth and funniest of Universal's hilarious series involving the adventures of the two best-loved and laughed-at film families.

Cohen and Kelly, whose adventures in New York, Paris and London have tickled millions, ignorant of one another's plans across the Atlantic to the land of the bagpipe with designs upon the plaid business.

Kilt-clad and comical, they stumble into a host of uproarious experiences culminating in the determination to commit suicide because their fortunes have been lost. How this works out is the comedy high-spot of the production.

Mrs. Cohen and Mrs. Kelly, of course add to the difficulties of the droll partners.

"The Cohens and Kellys in Scotland" again unites the original Cohen and Kelly, George Sidney and Charlie Murray who celebrate their reunion by topping all their previous efforts.

Vera Gordon and Kate Price portray the respective wives. E. J. Ratcliff, William Colvin and Lloyd Whitlock also have important roles.

William James Craft handles the megalophone. The story is by John McDermott; the adaptation and dialogue by Albert DeMond.

**WILL DEVELOP ALBERTA TAIL SANDS—W. P. HINTON IS GIVEN CONCESSION ON 5120 ACRES AT ATHABASKA**

Ottawa, Ont., June 28.—(By the Canadian Press)—A permit to develop an area of 5,120 acres of bituminous sands in Alberta has been granted to Walter P. Hinton, Toronto, according to the current issues of the Canada Gazette. The permit was issued on June 14 and was made operative under regulations by which those bituminous sand rights might be disposed.

Those regulations were the subject of interchanges between Minister Hon. Charles Stewart, Minister of the Interior, and Premier J. E. Brownlee of Alberta, during the Easter recess of parliament and were arrived at in the light of the pending transfer of the natural resources to the province.

The concession to Mr. Hinton is the second of such grants that have been issued, one having gone to Max Ball of Toronto, some time ago.

Mr. Stewart is in the west and no comment was forthcoming from any departmental officials in this connection.

The minister is spending the week-end at Jasper Park. On Monday he will speak at Edmonton, Alta., on Tuesday and Wednesday at Edmonton and on Thursday at Calgary.

**ALBERTA ADOPTS WILD ROSE AS ITS OFFICIAL FLOWER**

Edmonton, July 2.—On July 1 the wild rose officially became the floral emblem of Alberta, the act passed by the legislature at the last session going into effect on Dominion Day.

There was no ceremony about it, and the event went into the political history of the province quite without fuss or formality, but the effect is that Alberta from now on will have a registered trade mark that will give grace and beauty to its pictures and a pleasant relief to its equally typical wheat fields. The selection of the flower as Alberta's emblem, first suggested by Hon. Perrin Baker, has been favorably commented on by the press throughout Canada.

Maybe the old days were wicked, but the hostess didn't have to take a few snorts to keep from feeling ashamed of her guests.

Strategy: Blaming the pitcher for errors in the field; calling in a relief man who is nicked for seven runs.

**CHRIST CHURCH (ANGLICAN)**

Services Sunday, July 6th, 1930.—(3rd Sunday after Trinity): 8 a. m.—Holy Communion. 11 a. m.—Holy Communion and Address. 7.30 p. m.—Evensong and Sermon.

Rev. F. Randall Powell, Rector.

**ST. ANDREW'S PRESBYTERIAN CHURCH**

Services Sunday, July 6th, 1930.

11 a. m.—Morning Worship. 12.15—Sunday School. 7.30 p. m.—Evening worship. Rev. Alex Ferguson, M. A., Minister.

Organist a. m., Miss Blossom Lyons.

**UNITED CHURCH—MACLEOD**

For the months of July and August the music of the United Church Services will be led by the Orchestra and Organ while the choirs enjoy their well earned vacation.

The Sunday School lessons will be taught in narrative, or story form, by one of the teachers, and the Church and School will be concluded each Sunday before 1 p. m. The Junior and Senior Schools will meet for devotional service and then take their separate work.

Each Sunday evening Rev. Knight will give a living outline of some great leader's life. This Sunday it will be the life of William Lloyd Garrison, the emancipator of two million blacks. These messages will furnish inspiration for the best living for young and old throughout vacation, and for all life.

Hitherto these recitals have resembled "Ten Up," or "Jean Valjean," as Mr. Knight gives them. Start on July 6th with the first of the series. There will be continuity of development in thought throughout.

**THE SALVATION ARMY**

The coming week-end will be a welcome to the new Commanding Officers for Macleod, Captain and Mrs. Nelson.

Meetings as follows: Saturday 8.30—Prayer Meeting.

Sunday 11 a. m.—Holiness. 3 p. m.—Sunday School and Adult Bible Class. 7.30 p. m.—Salvation Meeting. Give the new Officers a rousing welcome to Macleod.

**LETHBRIDGE-TABER GRAVEL CONTRACT IS NOW AWARDED—H. G. MACDONALD, EDMONTON WILL DO WORK—SECOND COURSE, MACLEOD TO NANTON**

Edmonton, June 25.—A contract for 43 miles of standard construction work on the Calgary-Alaska main highway, by way of Irricana and Beiseker, has been awarded by the department of public works to Fred Mannix, of Calgary. This is the piece of road over which considerable discussion developed in parts of the affected district just prior to the election, some opposition to the route selected by the government having been expressed in and around Rockyford. The road is to be built, however, according to the route first announced. It will make a final connection between Calgary and Drumheller.

H. G. MacDonald of Edmonton, gets the contracts for two gravel surfacing projects as follows:

34 miles of first course work between Lethbridge and Taber, and 53 miles second course between Macleod and Nanton. The price on this work was 134 cents per yard, which is the lowest ever secured by the department. Last year's prices ranged well over 20 cents.

**SOUTH MACLEOD NEWS**

Mrs. Donahue of Bend, Oregon, is spending the summer with her daughter, Mrs. Athol Hovis.

Miss Muir has been the guest of Mrs. M. Whipple during the past fortnight.

The Ewelm and Ardenville schools held a most successful picnic at the river, Friday.

The W. I. Ladies will give a dance at Riverside Pavilion, July 4th. Good music.

About twenty-five of Shirley Hovis' friends helped her to celebrate her eighth birthday. A very enjoyable afternoon was spent, and a most delicious and bounteous supper was served. The house was a bower of flowers.

Mr. Weir, who has had his ankle broken has motored to his Iowa home to convalesce. He was accompanied by Mr. E. Long.

Mr. and Mrs. Sackett spent Monday in Lethbridge.

The Allenfield, Hazelmere and Waterton schools held their joint picnic at The English Mission Monday. A large attendance, fine day and good eats made it a huge success.

In common fairness it should be recorded that Babe Ruth isn't the only man with a salary like that who doesn't seem to be earning it.

**COMING EVENTS FORESHADOWED**

A Liberal Convention for Macleod Federal Constituency will be held in the Town Hall, Macleod, on Wednesday, July 9th, 1930, commencing at 2.30 p. m. open to all Liberals.

**Empress Theatre Programme**

**THURS.—FRI.—SAT.—**  
A Real Laugh Show—  
"THE COHENS & KELLYS IN SCOTLAND"

with Charlie Murray and George Sidney.

The worlds greatest troupe bringing a branch of the cloak and suit business to the land of Kilts and Bagpipes. Laughs, Laughs, Laughs. The original Cohens and Kellys in Scotland. Don't miss it.

Also Showing—  
A PAT ROONEY COMEDY.  
A SONG ACT—  
"THE FLONGELLY QUARTETTE" (A Real Treat)—  
FOX SOUND NEWS.

A program you will really enjoy.

Thursday and Friday at 8 sharp.  
Saturday 3 shows at 3, 7 and 9 o'clock.

**MON.—TUES.—WED.—**

July 7th, 8th and 9th:

A great western show—

HOOT GIBSON in—

"COURTIN' WILDCATS"

This is Hoot's first all Talking Picture and its good.

Also Showing—

A RUBIN COMEDY—

FEATURETE entitled—

"GLORIOUS VAMPS"

and "FOX NEWS"

Monday Is Gift Night!

**COMING—**

July 10th, 11th and 12th:

"HIGH SOCIETY BLUES"

Better than Sunny Side Up.

## TRANSATLANTIC AIR SERVICE

It begins to look as if regular commercial airship service across the Atlantic were to be a reality in the comparatively near future.

According to plans announced at Washington, Germany will build a new ship to go with the Graf Zeppelin and America will build two more, making a fleet of four. Service going east will provide two-day trips, with three-day trips for the west-bound line. Passenger fares will be about double steamship fares.

This announcement may be the beginning of a new kind of traffic of enormous importance. It seems foolish to suppose that the steamship will ever be displaced as the carrier

of bulk freight, but the dirigible may very well be about ready to give the fast passenger liner something to worry about.

## BETTER THAN REAL LIFE

Real life is never arranged as nicely as fiction. The novelist can do on paper things that do not come so easily to flesh-and-blood mortals. Most books present life as we would like to have it, rather than as it is.

All of which, perhaps, is part of the explanation of the enormous popularity of the detective story in recent years.

The detective that we find in books is a far more omniscient person than any detective that ever really existed. No case ever quite baffles him. He may be at loose ends temporarily, but by the last chapter he is always sure to come bobbing to the surface with the guilty man in his jaws. His cases never peter out into failure. His criminals always thoughtfully leave just the right clues, and he always knows just what to make of them.

And we, luckless inhabitants of a world where policemen are never quite that clever, spend thousands of dollars a week to buy these books. For it is becoming more obvious all of the time that our real-life detectives, being human, fall short of the detective story pattern.

What happens in this workaday world when a murder is committed? Real-life detectives must take facts as they find them. They know their business, and they must have especial equip-

ment for solving criminal problems, but they have no miraculous powers and they cannot perform miracles.

But it is never like that in fiction. The ordinary police officers may fumble their work, of course, but the Detective—Philo Vance, or Charlie Chan, or Dr. Thorndyke, or Hercule Poirot—always knows what he is about. He is secretive and thoughtful. Patiently he puts his clues together—and finally, just as everybody else has despaired of success, he lands the criminal in jail—always, be it noted, with so much evidence against him that it is quite impossible for the accused to fight the case successfully in court.

So we dote on detective novels, and make best sellers out of them; and, meanwhile, wonder why it is that our poor policeman cannot duplicate, in actual experience, the miraculous deeds of the novelist's invention.

## HEALTH SERVICE OF THE CANADIAN MEDICAL ASSOCIATION—FIT TO START SCHOOL

Now is the proper time to consider whether or not the child who is to begin school for the first time next fall is fit to make the start.

Of the group of children who first enter school, a large percentage are found to be suffering from at least one physical defect, often more. These defects are of a type that do not, of themselves, endanger the life of the child, but they constitute a very definite handicap to him.

It is quite obvious that the child whose sight or hearing is defective will not be able to do his best under the same conditions as the child with normal hearing and sight. With regard to the blind and deaf, it is necessary that special facilities be provided for their education. Many children are made partially blind or deaf before their parents realize what has happened, and of this number, a large proportion could have the condition remedied by proper measure of treatment.

A child who is a mouth-breather, who suffers from repeated head colds, cannot do his best work. We all know that a cold in the head makes it difficult for us to apply ourselves to any task. Such a condition can frequently be ended by the removal of adenoids—the usual cause in children. It is not to be expected that the child with tooth-ache or with sore gums will give much attention to anything outside of his own discomfort. A clean healthy mouth is a most desirable possession, and is a real health asset. Teeth should be looked over by a dentist, and any treatments necessary secured before the child starts to school.

Now is the time to do this. If any treatments are required, they can be secured now and will not interfere later with the child's attendance at school. This will also leave the summer months free for the child to build up his general health after any treatments and enable him to start his school days with a body that is fit to cope with his new duties. Most defects can be corrected by proper treatment. Children do not grow out of such conditions. The sooner they are attended to, therefore, the sooner is the child freed from the handicap such defects impose upon him. It is in the interests of the child that he be given a fair chance in his school work. Give him this chance then by freeing him from these defects which can be corrected through suitable care.

Questions concerning Health, addressed to the Canadian Medical Association, 184 College St., Toronto, will be answered personally by letter.

## CANADIAN GARDEN SERVICE, 1930—STILL TIME TO PLANT

There is still plenty of time to get in a good vegetable or flower garden. Many people have made a splendid showing that did not have a chance to start operations much before the first of July. We are fortunate in this country in having a very quick-growing season on account of our long periods of day-light during the Summer months. Beets, carrots, beans, corn, and many other standard vegetables can still go in. Of course, where such a late start is made, one is strongly urged to select the earliest varieties, to cultivate well, and to use plenty of quickly available fertilizer which is high in nitrogen. This is the proper time to get in those hot weather vegetables such as summer squash, melons, marrows, and cucumbers. Wherever possible, one should secure started plants of the tomato, cabbage, or celery lines in the vegetables, and zinnias, cosmos, marigolds and petunias in the flowers. This is also the proper time to plant second or third crops of practically all the first-named vegetables so that the season for these may be extended. One should begin to think of a Fall supply of late lettuce, endive and other salad plants. The endive although not generally planted is quite easily grown and should be used to take the place of leaf lettuce during late Summer and Fall. It requires practically the same soil and cultural conditions as lettuce and should be bleached by tying up loosely, or storing in a dark place, before using. Late Fall table turnips, Lima Beans, pepper

plants and egg plants also go in now.

## Heading Back

To produce large flowers and sturdy plants which will withstand wind and rains, we must pinch back. Nip off unnecessary side shoots and also trim back the main stem. This will produce a more symmetrical plant. Tall, ungainly geraniums and petunias when treated in this manner and planted deep in the earth will spread out and develop wonderfully. Very soon a bush-like flowering plant results from the unsightly spindly thing that was carried through the Winter, or was allowed to grow too fast in the Spring.

## Timely Flower Work

This is the proper time for planting tender things like Cannas, Tuberous and Fibrous Rooted Begonias and Heliotropes. Plants of late-flowering tulips grown where space is required for bedding may have the old flowering spikes and dead foliage cut away, or if they are still green they may be lifted and matured in some warm dry place and re-planted again in September. Pot plants of Azaleas, Rhododendrons and other forms of the Ericaceae family can be planted out of doors now in well-rotted leaf-mould soil in a partially shaded place. Do not water too freely. After resting, they may be taken up in the Fall just before frost and re-planted in soil containing leaf-mould or peat, but no lime. If these plants are already in pots of sufficient size, and contain the proper soil, they may simply be put out of doors in some shady spot for a rest. With all pot plants resting, it is well to place on a bed of cinders or some other material which will prevent worms getting into the pot. Calla Lilies and all Cyclamens may be given a Summer holiday by being put in a shed or cellar, or under a tree, and given very little water. The tubers should be taken up in July or early August, cleaned off and re-potted.

## Shrubs

The flowering shrubs will require a little attention. When the bloom begins to fade, it is best to shear off as the ripening of seed pods which will follow otherwise makes a heavy drain on the vitality of the plant. This is the proper time to prune early blooming shrubs, such as the spirea Van Houttei, Lilacs, and Forsythia. Make a shapely bush but do not trim out all of the new growth as this supplies the bloom for next year.

## Watch Out For Pests

One should keep a sharp lookout for all signs of insect and fungus pests, and spray or otherwise protect at the first sign of damage. Indeed it is better to spray before the pests appear in most cases. Aphids which are often troublesome at this time can be controlled by regular applications of nicotine sulphate. If the weather is moist, there will be danger of mildew on roses and similar things. Dusting with finely ground sulphur to which a little arsenate has been added as a poison will bring this fungus and also all eating insects under control. Patent poisonous preparations can be used on potatoes for attacks of the Colorado beetle, or as it is more commonly called the plain potato-bug. One must watch the changes in the Brussels sprouts for signs of worm or aphid damage. There are many preparations on the market which will be found both convenient and easy to handle.

## SPADES AND PAIS

A traveller who has seen many countries and made a study of child welfare the world over was much impressed with a sight that may be seen daily in the city of Calgary in a beautiful garden, where were many children at play in happy grassy places under the shade of great fir trees. The older boys and girls were engaged in games that did not call for much movement, for one observed that their little limbs were chained in plaster casts, or limited with splints. On a rug lay a small baby with golden hair, who was evidently the pet of them all.

Across the walk was a huge pile of sand, and here were many shovels and pails busily being filled and emptied in the time-honored custom of making sand-pies. The shining sand gave the children a great deal of pleasure, they seemed to enjoy holding it in their little hands and watching the grains slowly trickle through their fingers.

The brilliant June sun shone on their bronzed bodies, for the little people were taking their daily sun bath, and the healing rays, which Alberta sunshine has to a great degree, were taking effect in a rosy redness that looked healthy and wholesome.

One realized that this happy form of cure is one which can be indulged in by all children, just as much as they were like these little people of the Red Cross Children's Hospital in Calgary. All that is necessary is a back yard or garden, a sun suit which may be made from underwear or even a swimming suit. Mothers must remember that such treatment must be carefully understood, so that the child is not burned too quickly or harm may result. Write to the Red Cross, 407 Civic Block, Edmonton for a book on Sun-treatment free turnips, Lima Beans, pepper

## FIFTH FORTNIGHTLY CROP REPORT—ISSUED BY DEPARTMENT OF AGRICULTURE, GOVERNMENT OF ALBERTA, EDMONTON, JUNE 21, 1930

Reports received from south of Calgary indicate that during the past fortnight several windy days with high temperatures have checked growth which up to that time had been very satisfactory. Summer-fallow had been standing up well but crops sown on spring ploughing were beginning to suffer. Little or no rain had fallen during this period but reports of rains over a large area on the night of June 20 creates a much improved crop prospect. Irrigation has been generally practiced throughout the irrigated areas.

In the central and eastern part of the province, rains within the past few days have done much to relieve the serious condition caused by continued dry weather and high winds. Estimates place the damage from winds and cutworms as high as 40 per cent. Much of this land has been reseeded but in some cases this was impossible owing to the difficulty in securing seed. The western and northern areas have abundant moisture and their greatest need is for warm weather. Along the C. N. R. lines eastward from Edmonton and north of them, heavy rains have fallen. St. Paul reports five inches since June 1st and Vermilion 3.91 from June 10 to June 13. The Peace River district continues to have abundant moisture with slight damage from floods in the eastern part. Insect injury, particularly from cutworms, is greater than usual otherwise crop conditions are favorable.

Hay and pasture crops are reported to be doing well except in the areas which have suffered so severely from high winds and lack of moisture.

The sugar beet crop is about 70 per cent. thinned. Some damage has been done by cutworms but otherwise the outlook is promising for a favorable production of beets.

Blessed are the poor. The more a man has, the more he lives in dread of reckless fellows who disturb feathered nests.

A radio sermon can be made realistic. You can get a bad tuning instead of taking a back seat.

## SALVATION ARMY ANNOUNCEMENT

The Editor Macleod Times, Macleod, Alberta.

Dear Sir: I wish to take this opportunity, through the columns of your paper of informing the citizens of Macleod and district of a change of Officers affecting the local Corps.

It is known to most that I have received Farewell Orders and during the course of this week I shall have left Macleod to take up work in Grande Prairie, Alberta.

I wish to thank the Citizens of Macleod and district for their interest in the work of the Army, which interest has been displayed by regular contributions and the Special Appeals, in support of our work. I am confident the same interest will be displayed during the stay of my successors and in the future years.

My one year's stay in this district has been most enjoyable. Whilst I regret having to leave, yet I am looking forward with a great deal of anticipation to my new field which presents a wonderful opportunity for the development of Army work and to which I shall devote every energy during the period I may be stationed in that great North country. I wish the citizens every success and every blessing in the things that have to do with time and the great and more essential things that have to do with eternity.

Praying God's blessing upon you all.

Yours faithfully,

Captain N. Belkovich.

Don't brag about your honesty until you handle public money that doesn't seem to belong to anybody in particular.

Alas! If he becomes a candidate merely to please his friends, isn't he likely to run the office to please them?

You aren't a real patriot, however, unless you feel ashamed when a statesman makes an ass of himself.

Nature knows. Man is the only creature that has a conscience because he is the only creature that needs one.

Little things a lot of people don't know: The pearl is a tomb the oyster builds around an invading worm.

## VOTE FOR J.D. MATHESON, K.C.

## THE LIBERAL-CONSERVATIVE CANDIDATE FOR MACLEOD FEDERAL CONSTITUENCY

## AND FOR

(1) Unemployment relief by a special session of Parliament to be called immediately after the election by Hon. R. B. Bennett, to pass grants for public works, and

(2) Protection for the consumer by legislation to prevent Canadian Manufacturers and other protected interests from adding the customs and excise tariffs to the proper selling price of agricultural implements and other goods.

## GRANUM LOCAL NEWS

Mr. and Mrs. B. Anderson spent the holiday at Calgary.

S. Aisenstat is a Calgary business visitor today (Thursday).

Mr. and Mrs. S. Simonson were Claresholm visitors Saturday.

Mr. and Mrs. P. Deman and son Edward spent Saturday at Lethbridge.

Mr. and Mrs. R. Baker and Miss Greenwood were Granum visitors Saturday.

Mr. and Mrs. James Blair and son Kenneth left Saturday for their holidays at the Coast.

Mr. and Mrs. D. M. Leyden and son Jack leave this week by motor for Chicago and other Eastern points on business.

Mr. and Mrs. Kerns' and E. Kerns and Miss Ella Marlette and Mr. L. Kellicut motored to Cardston Tuesday, taking in the Stampede.

Mr. and Mrs. H. Dimm, accompanied by the former's sister and her husband Mr. and Mrs. A. S. Harner, left Monday for the coast. They expect to spend a few weeks at Albion, Nebraska, before returning home.

The Eastern Star held a social evening at the home of Mr. and Mrs. R. A. Macleod where the guest of honor was Mrs. D. M. Leyden, who was given a farewell reception previous to her removal to her new home in Calgary. A parting gift of a silver berry spoon was made, and bridge was played—prizes being won by Mrs. Leyden and Mrs. Sherman. The festivities were concluded with

a delightful lunch and singing of "She's a Jolly Good Fellow."

Mr. and Mrs. Jack Sausa and daughter spent the week-end at the home of Mr. and Mrs. P. Deman.

Mr. and Mrs. R. McDougall, accompanied by Miss Blair, and Miss McDonald, of Claresholm, left Saturday by motor for the east.

W. Lutes, of Medicine Hat, is relieving at the Beaver Lumber Co. while Mr. and Mrs. Weaver are away on their holidays.

Mr. and Mrs. G. R. Torrence left on Saturday last to spend a ten days vacation visiting friends in Washington State, U. S. A.

## MARCELLING

and FINGER WAVING  
Mrs. Harry Roberts Residence,  
Granum  
EVERY WEDNESDAY  
MRS. WHITEHEAD.

Mr. and Mrs. O. C. Edwards and family, accompanied by Mrs. Whitten and Miss Edwards motored to Lundbreck Falls, Tuesday.

Mr. and Mrs. O. C. Edwards, accompanied by Mrs. Whitten and Miss Anderson motored to Calgary last Friday where they were guests of Mr. and Mrs. Anderson.

At Starland Theatre Friday and Saturday this week all talking comedy feature, Harold Lloyd in "Welcome Danger." Also all talking comedy, "Studio Stunts." "Welcome Danger" is Harold Lloyd's first

talking picture, and it's a knockout. Don't miss it. Admission 25c, 35c and 60c—tax included.

Mr. and Mrs. W. Dietz, of Calgary, spent Tuesday with the latter's parents, Mr. and Mrs. P. Deman, while enroute home from their holidays.

Mrs. Wickman and Miss Edwards, who have been visiting relatives in this district the past two weeks, left Thursday for their home at Warren, Minn.

The best entertainment is that which furnishes the mind, and you are invited to come to the United Church Sunday evening—Think about "The Bible on Suffering."

A very daintily and prettily arranged shower was held in the Granum Opera House Saturday afternoon in honor of Miss Edna Severson. The hall was decorated with lovely spring flowers. A very prettily decorated wagon was drawn in by Lorna Easton and Marion Lang laden with lovely gifts for the bride to be. "Wedding Bells" was sung by Misses Lillian Wells, Hazel Sherman, Doras Rowe and Thelma Clarke, accompanied by Miss Freda Sherman. Miss Severson in a few well chosen words thanked the guests for the lovely gifts she received. The hostesses for the afternoon were Mrs. W. B. Rogers, Mrs.

G. Gustafson, Mrs. F. Kellicut, Mrs. Whinnery and Mrs. F. Venne, by whom a lovely lunch was served.

Mrs. W. S. Daugherty and children, who have been visiting at the home of Mr. and Mrs. S. Stewart the past month, returned to their home at Innisfree Saturday.

Mr. and Mrs. J. B. Allison, of Granum, announce the engagement of their only daughter, Jeanne Elizabeth, to Ernest A. Bullied, of Calgary. The wedding will take place on July 16 in the Presbyterian Church at Granum, at 1 o'clock.

At the United Church next Sunday evening, July 6th, Mrs. Dora Edwards will sing a solo, and the Minister will preach on "Suffering and the Bible." The United Church is "cool as a cave" on these warm evenings, so do not fear the weather.

The Church Vacation School, combining Knowledge of the Good, with wholesome interest and plenty of play for the children in vacation time, will be held at the United Church and Hall from July 21st to August 1st, inclusive. Parents and children are urged to consider this.

The Granum Presbyterian Ladies' Aid held their monthly meeting at the home of Mrs. D. Campbell on Tuesday last. The meeting was well attended. Arrangements were made for the Sunday School Picnic to be held at C. Hart's, where a large gathering is expected. The hostess served a delightful lunch at the conclusion of the meeting.

The Daley Creek School District Picnic was successfully held on Dominion Day, July 1st, at the Old Man River Flume. As ideal weather conditions were granted, the attendance was large, and the day passed quickly with sports, foot races and other events, which added to the enjoyment of everybody. Owing to lack of space it is impossible to enumerate all the day's happenings, but special mention must be given to Jack Baird, one of Daley Creek's old timers, who won the Married Men's Race with a fine burst of speed at a close finish. The Daley Creek Ball team came out on the long end of a 11-5 score against Spring Point, finishing a crowded afternoon. The Daley Creek district wishes to acknowledge the donation of a box of chocolates by Mr. Ovenden, which was won by D. A. MacKay Macleod; Mr. Jordon winning the cedar chest of chocolates with the lucky draw of 4. Mr. Mackay's guess on the jar of 759 beans was 780. Daley Creek also wishes to thank Mr. and Mrs. Reynolds handling the refreshment end of the program.

The annual picnic of the Granum United Church School and its friends was held on Dominion Day at McLean's Crossing, leaving Granum at 10 o'clock. There was a very large attendance, for the day was most beautiful, and with swimming, baseball, and every known picnic sport available. Huge truckloads of happy boys and girls were driven down and back by Mr. Hendrickson, of the Torrence Implement Service, and by Mr. Rubbra, of the North Star Oils, and it was difficult for the ice cream and lemonade corps to meet the demands. The water was "fine," and older as well as younger departed themselves in its cool depths. The games program conducted by Jack MacGregor was quite comprehensive, and especially the peanut scrambles were filled with thrills. Baseball games were played by the C. G. I. T. vs. "Ladies of the World," "Bushwhackers" vs. "Boomerangs," "Ranchers" vs. "Oldtimers," "P. S." vs. "The World" and "Trail Rangers" vs. "The World." Dinner and sup-

Highest Prices Paid

**S. AISENSTAT**

Phone 61 — — — — — Granum

per were eaten in the beautiful shade, and the day left nothing to be desired. Every prospect was pleasing, and not even "man was vile."

A public meeting in the interests of Joseph D. Matheson, Conservative candidate in the Federal constituency of Macleod will be held in the Granum Theatre on Monday, July 7th at 8.30 p. m. Harry Nolan of Calgary and the candidate will address the meeting.

Principal Russell near the end of the school term asked a small boy pupil the definition of "No Man's Land." The kid replied: "That portion of road between the graveled highway and the C. P. R. tracks at Granum. When asked how he arrived at that definition he said: "The Government won't fix it, the Municipality won't fix it and the Town Council won't fix it—so it must be "No Man's Land."

Rev. G. G. Webber, Secretary for Alberta and British Columbia of the Lord's Day Alliance of Canada, accompanied Mr. Rowe to Daley Creek on Sunday last, and preached there and at Granum, in the interests of the Lord's Day. Mr. Webber made a good impression, and in the evening service spoke strongly on "Our Dominion." The Choir rendered "The Ninety and Nine" at the Granum service.

## OBITUARY

### DEATH OF MRS. RATTRAY

The funeral took place on Friday morning at 10 o'clock of Mrs. Rattray, mother of Mrs. M. S. Weatherhead, of Woodhouse, interment taking place at Claresholm, where she had been living for some time. In former years Mr. and Mrs. Rattray had lived at Cochrane, Alberta, after coming about a quarter of a century ago from Bruce County, Ontario, near Warton. Mrs. Rattray is survived by a sorrowing husband who resides at Woodhouse, and by two daughters and two sons, the sons residing in British Columbia and the daughters one at Drumheller, and Mrs. Weatherhead, who is well-known to all our readers, residing at Woodhouse. We desire to extend our sympathy to the sorrowing relatives and friends.

### HER TENTH

In many parts of rural England tourists may see the quaint old buildings whose very stones provide sermons of by-gone days, of such are the ancient Tithing Barns, into which the farmer brought his tithe of corn and produce, Red tiled Oldtimers, "P. S." vs. "The World" and "Trail Rangers" vs. "The World." Dinner and sup-

evidences of and age when tithing was accepted as the duty of a man towards his maker.

Here and there one still meets the same spirit of unselfish sacrifice in the hearts of some men and women of kindly vision and sympathetic understanding. The following little story taken from the busy Headquarters of Red Cross in Alberta restores one's faith in humanity in these materialistic times.

The Commissioner says "One day when more than usual the financial clouds were threatening, there came out of the grey sky a silver lining in the shape of a little note from a working woman." She said that she was poor herself, but she had lately earned a little and she wished to dedicate her tenth to Red Cross for the care of crippled children. A dollar and some cents fell out of the envelope, but far more than that in reality for with the money there came a spirit of sacrificial service that rededicated our Red Cross workers afresh to their great task of mitigation of suffering, their faith strengthened by this simple story of a country woman's loving gift.

Much vacuum cleaner isn't much improvement. Its whine is about as bad as daughter's in broom days.

## GOODYEARS ONLY

### Here's the Reason

WE know tires. For years we've watched every make of tire in actual service. We've seen what it gives for its cost.

Our policy of selling only Goodyears is based on such experience. We've proved time after time that Goodyears give longest, most satisfactory mileage. We've proved the stamina of Goodyear Superwrist Cords and the great traction of the All-Weather Tread.

We make a smaller single profit on Goodyear tires. But we gain through their quality selling more tires. And the complete Goodyear line gives us a tire and size for the particular need of every customer.

## McCORMICK-DEERING NEWS

"Good equipment makes a good farmer better" Published by C. E. TWEED The Farm Equipment Man House Phone 41 Office Phone 157

## Three Grain Growing Problems Solved By McCormick-Deering Windrow-Harvester

When grain ripens unevenly, or when there is a weedy crop, or when early harvest is desirable to avoid natural hazards — then you need the McCormick-Deering Windrow-Harvester. All the advantages of combine harvesting and threshing are made available with this machine. Grain can be cut and placed in windrows to be picked up later by the pick-up attachment on a McCormick-Deering Harvester-Thresher. This pick-up attachment, which is 6½ feet wide, delivers the grain from the windrow to a platform canvas so governed that the grain is carried directly to the threshing cylinder in an even stream.

The McCormick-Deering Windrow-Harvester is made in 12 and 16-ft. sizes. There is a choice of ground drive or power take-off operation.

Let us tell you how this system of harvesting and threshing saves all the grain and brings greater profits.

**C. E. TWEED**

Macleod,

Alberta

## STRAWBERRIES

**\$3.75**

The expected advance in the price of Strawberries has gone into effect, and the cost is now 25 cents higher per crate.

The crop has ripened more slowly latterly, enabling the growers to realize more from it.

We shall be receiving Strawberries daily for the next 10 days, but it is unwise to delay your canning, as the quality lessens near the end of the season.

## THE WHITE HALL

### Macleod Local and Personal News

Mrs. R. M. Reid was a Calgary visitor on Saturday.

T. C. Milne, of Claresholm, was a business visitor in Macleod on Wednesday.

Mrs. R. Butchart and young daughter, of Medicine Hat, is visiting in Macleod this week, the guest of Miss McHattie.

Miss Margaret Reid returned on Saturday morning from a week's holiday, spent at Waterton Lakes National Park.

Pat Graham, formerly of the staff of the Royal Bank, Macleod, spent the holiday in Macleod at the home of his mother, Mrs. T. Graham.

Gene Long, of Calgary, arrived in Macleod last week-end to spend his summer holidays at the home of his parents, Mr. and Mrs. W. O. Long.

Miss Phyllis Rennwick, of Calgary, arrived in Macleod last week-end to spend a month's holiday with her aunt, Mrs. George Skelding.

Miss May Fawcett returned from her school at Taber last Saturday to spend her holidays at the home of her parents, Mr. and Mrs. J. L. Fawcett, Macleod.

Wm. Whitworth and Wm. Fleming attended the celebration of the 40th anniversary of the I. O. O. F. Lodge at Pincher Creek on Thursday evening, June 26th.

In last week's issue of the Times W. H. Shield's total votes by a typographical error were printed as "659" and should have been "1466." Mr. Shield's majority was 659.

Dr. O. F. Fansett, of Macleod, was one of the speakers at the Waterton Lakes National Park Board of Trade Banquet held last week in the Prince of Wales Hotel.

Mr. and Mrs. Wallace Stewart and younger members of their family, of Calgary, spent the week-end and holiday at the home of Mr. and Mrs. Maltby Stewart, Macleod.

Miss Catherine McCartin, of the teaching staff of St. Mary's School, Calgary, arrived in Macleod on Friday evening to spend her summer holidays with her mother, Mrs. P. McCartin.

Mr. and Mrs. Murray Gardiner, of Calgary, spent the holiday at the home Mr. and Mrs. R. J. E. Gardiner, Macleod. They were returning from a holiday trip spent at the Coast and at Western States cities.

Workmen commenced operations on Wednesday morning laying the cable for the new lighting system along the main street of Macleod. When completed, in about a week or ten days, the street will be brilliantly lighted with 44 lights, on 22 handsome 2-light metal standards, instead of 8 or 10

open lights as at present. The operating of these lights is on the automatic clock system, which requires no personal attention.

Mrs. James Cooney with Misses Gladys and Isobel and Master James left on Saturday morning for Edmonton, where the Cooney family will reside in future. Chris and Dave left for Edmonton on Tuesday morning.

W. Rowse, of Edmonton, arrived in Macleod last week to take charge of the Canadian Pacific Express office, in place of Mr. Castle, transferred to Red Deer. Mrs. Rowse and family will arrive in Macleod in about 10 days.

Mr. and Mrs. D. A. Hansen, of Calgary, spent the week-end and holiday at the home of Mrs. Hansen's parents, Mr. and Mrs. J. Swinerton, Macleod. Mr. Hansen returned on Tuesday evening, but Mrs. Hansen is staying the week in Macleod.

The many friends of Tommy Drinkwater will be interested in hearing that he has sold his Hotel at Burdett, and has purchased a new home in Calgary. Mr. Drinkwater with children and maid are leaving this week to make their future home in that city.

Miss Irene Young, eldest daughter of Mr. and Mrs. James Young, who was recently awarded her L.A.B. Degree, had the honor of playing several piano recitals in the Marquis Hotel Lethbridge, on Monday evening.

Mr. and Mrs. John Castle left last Thursday for Red Deer where Mr. Castle has been transferred by the Canadian Pacific Express to take charge of the Express Office at that point. Mr. Castle has been in charge of the Macleod Express Office since last Fall.

Mr. and Mrs. C. C. Bremner, left on Tuesday for a five weeks' trip to Mexico. The party included Mrs. Bremner's father and mother, Dr. and Mrs. Carmichael, of Pawlf, Mr. and Mrs. Fribrance, Calgary, Miss Dorothy Carmichael and Miss Young, formerly of Lone Rock School.

Calgary Albertan, Thurs., June 26th—A quiet wedding took place on Saturday, June 21, when Ruth Lillian, second daughter of Mr. and Mrs. Charles K. Vahney, the bride, was united in marriage to William George Stedman, only son of Mr. and the late Harry Stedman, of Macleod, Alta. Mr. and Mrs. Stedman left by plane for Macleod and on their return will take up their residence south of the Country Club.

The C. G. I. T. of the United Church, Macleod, gave a fine well patronized Thursday night to Gladys Cooney and Lena Kostuk, whose families are leaving Macleod. The Cooney family going to Edmonton and the Kostuk family to Shaunavon, Sask. The party took the form of a banquet, which was held in the Church Hall, to which about 25 sat down. After the banquet Gladys Cooney was presented with a beautiful "Friendship Motto Frame" and Lena Kostuk was the recipient of a lovely belt. The evening was spent in games. The junior choir the same evening made presentations to Gladys Cooney and her two brothers Chris and Dave. The Cooney family have grown up in Macleod from childhood, and the sister and two brothers have taken a very active part during the past few years in all the young peoples' work of the church. On Friday evening the primary section of the Sunday School had a little party for the two younger members of the Cooney family, Isobel and James, when they presented Isobel with a necklace and James with an knife. On Friday evening at the home of Mrs. F. Neville, the girl and boy friends of Gladys, Chris and Dave Cooney gave them a party, at which court whist

was played, there being five tables in play. The prizes were won by Donald Sutherland, and Chris Cooney, consolation. Refreshments were served by the hostess and a jolly evening was spent, but regret was expressed at parting with many of those present with their lifelong chums. Gladys was presented with an ivory clock and the two boys with cuff links with their initials.

What might have been a serious car accident occurred on Friday afternoon on the Blue Trail about 4 miles north of Macleod, near the Glenwillow School, just at the lake, south of the school. Geo. Bick, of New York, was going north and Fred A. Gregory, of Hillcrest, was coming south, when evidently one of the cars skidded on the gravel with the result that they had a head-on collision, tearing off the left front wheel and fender on both cars. Fortunately no one was hurt, but one of the cars was within a few inches of tumbling into the lake. Corp. R. Vise, A. P. P., was quickly on the scene, and after discussing the accident, each of the car owners decided to pay their own repairs.

Conditions have been favourable for crops during the past week. The rains of last week-end came in time to boost a considerable portion of the wheat, which in some cases was beginning to retrograde. There have been several good showers during the week, which has also helped, but practically all over the district more rain is needed. Some fields of early wheat are heading out, and will be very short unless a copious rain comes at once. Alfalfa first cutting is fairly general, and the crop is pretty good. Grass on the whole is good, and the prospects for the hay crop at present is excellent, especially west of Macleod in the Hills, where they have had more rain than on the prairies. Potatoes and roots generally are in good shape, but rain would be beneficial.

**LADIES OF ROYAL PURPLE HELD SUCCESSFUL STRAWBERRY SOCIAL—MRS. HARRY STEWART WON CEDAR CHEST**

The Ladies of the Royal Purple Lodge, Macleod, held a most successful Strawberry Social in the Town Hall on Saturday afternoon, when a large number visited the hall and enjoyed the dainties provided at the tea-tables.

The event of the afternoon was the drawing for the beautiful Cedar Chest, with its contents of lovely household linens, for which the members of the lodge have been selling tickets for the past two or three months. Chief of Police Pringle presided over the drawing, and after thoroughly mixing the tickets, drew out the winning one, No. 00648, which was held by Mrs. Harry Stewart.

Hon. Royal Lady Pauline Thompson was ably assisted during the afternoon by a large number of willing helpers. Mrs. Ashley Grier was convener of the refreshments, and her assistants were Mrs. Gillespie, Mrs. McKenzie, Mrs. Smith, Mrs. Stones and Mrs. Thompson. Serving the tables were: Mrs. Ray Baker, convener; assistants: Mrs. McGregor, Mrs. Ida McGregor, Mrs. Paisley, Mrs. Butler, Mrs. R. Walshe, Mrs. M. Rutledge, Mrs. Al West, Mrs. R. McDonald, Mrs. Shield, Miss M. Greenwood and Miss Brosius. Pouring Tea: Hon. Royal Lady Pauline Thompson; pouring coffee: Past Hon. Royal Lady R. Greenwood.

The committee for the Cedar Chest was Mrs. C. G. Hault, convener, Mrs. Rutledge, and Mrs. M. Murphy. Secretary Mrs. W. O. Hoodless. Music during the afternoon was kindly contributed by Mrs. R. Vise, violin, accompanied by Miss Lillian Andrews on the piano.

In some communities the prominent families are envied, and in others the books have been audited.

## REACH'S Huge July Clearance Sale

To-morrow, July 4th, promptly at 8.30 our doors open for the value giving event at this store. Our Annual July Clearance is in progress -- -- An event for thrifty and economical men and women! You'll find merchandise of the highest quality and underpriced to new low levels assuring you savings such as you seldom secure.

**JULY 4th to 12th**

## REACH & COMPANY LIMITED

ALWAYS AT YOUR SERVICE  
DRY GOODS, LADIES' WEAR, MEN'S WEAR, FLOOR COVERINGS, CROCKERY, GROCERIES, BOOKS AND SHOES

### EDISON DRINKS MILK TO MAINTAIN HEALTH

A recently published newspaper interview with Mr. Edison announces that he is living on a milk diet, and credits him with the following statement: "When I was a baby," he said, "I lived on milk and did not like it. Now I have gone back to milk again."

An article in one of the February magazines based upon interviews with Mr. and Mrs. Edison quotes her as telling about Mr. Edison's diet thus: "In January of last year he said, 'I am going to go on a milk diet—nothing else.' He went on a milk diet and stayed on it. Two glasses of milk every two hours. He can't risk taking any chances with his health—there is too much to do."

### THE VALUE OF HOME GROWN GRAINS IN POULTRY FEEDING

The value of imported feeds used in poultry rations runs into millions of dollars annually. Of these feeds, corn and corn products make up a large proportion and represent one of the higher priced grains used in poultry feeding work.

The saving in money and time which could be attained should this importation be greatly reduced by the use of barley, a grain grown almost universally in Canada, in place of the more expensive corn product needs no elaboration. At the present time corn products make up from twenty to thirty per cent of the scratch grain and mash mixtures commonly used with as high as 70 per cent in certain types of all mash rations which are used considerably in the United States and have been in some cases recommended for use in this country during the past few years.

In view of these facts, the poultry departments of several Dominion Government Experimental Farms and Stations in almost all provinces of Canada have been carrying on experiments for a few years past in an endeavour to ascertain the comparative value of barley and corn in poultry rations.

In the experiments under consideration the Experimental Farm concerned substituted barley for corn on a pound per pound basis in almost every instance.

The results of this work covering periods of six months duration and repeated each year for three and four years in some cases, are interesting. With one or two exceptions only, barley proved more efficient than corn for egg production producing almost as many or a greater number of eggs and on account of the low cost of the home grown grain, at a greater profit per bird over the cost of feed. In one instance hullless oats in contrast to corn also gave more economical production. In the few cases in which corn was superior the difference was slight on the average.

It must be borne in mind that where barley was used in place of corn care was taken to otherwise supplement the ration with foods well fortified with certain vitamins in which barley is lacking. In most cases the supplements used were green alfalfa or clover or the dried leaves and blossoms of these plants and crude cod

Every town has at least one well family that finds comfort in the fact that vulgar old dad can't last much longer.

If you would know the worth of a man's opinions, look closely and see what they have made out of him.
